

PestSmart

Use Smart

Store Smart

Store pesticides in a safe place out of reach of children or animals

Only buy what you need. Don't buy pesticides in bulk

Always read the label

Only apply pesticides to areas you want to treat. Excess pesticides could find their way into the environment

Dispose Smart

Alternatives

Encourage natural predators in your garden

Pull weeds out by hand or use natural alternatives to pesticides

Only use pesticides in good weather conditions

Don't use pesticides near pollinators like bees and butterflies

Clear the area of children and pets before you use a pesticide

Be PestSmart and help to protect people, water and wildlife
